MEMBER COMMENTS

"I joined the Chamber because I wanted to be an active part of the business community. I was excited to see the progress of the "new" Chamber, made up of three former separate Chambers of Commerce, and I wanted to get in on the action! At Chamber meetings I meet other business owners in a friendly atmosphere. Also, an active Chamber adds to the vibrancy of Western Lake County, which in the long run helps my business."

- Jerie I. Green, Lakenetwork.net

"We have been with the chamber for 12 years and initially joined for the group health care and comp management benefits. We enjoy taking advantage of the monthly luncheons and educational presentations. Especially in a tough economy, it seems wasteful not to take advantage of the networking opportunities the Chamber offers to its members."

- Greg and Lisa Dolinar, Milan Door Service

"Being a chamber member allows AT&T to support the communities that we live and work in, an opportunity to partner with an organization that helps promote and support local businesses. Today, our mission is to connect people with their world, everywhere they live and work, and do it better than anyone else. Our membership compliments the AT&T's vision."

- Kevin M. Lynch, Dir. External Affairs, AT & T
